Dear Mr. Eide,

This is to thank you for your undated letter which I received last Saturday. I am not in your way of collecting as you can see from the G.C.S. Directory and cannot therefore be of much help to you. However, I am enclosing:

1. a full set of scoring cards of my home club;
2. a card of the Hague club at Wassenaar;
3. a card of Hilversum;
4. 4 specially printed cards for the 52nd, 55th, 56th and 57th Dutch International Open Championships;
5. a card of this year's Datsun Pro-Am at Zandvoort.

Hoping that you can use them, I am,

yours truly,

Enclosures.
