Dear Mr. Jansen,

The G.C.S. Directory for 1979 states as your specific collecting interest 'postage-stamps' and as a co-member I feel therefore free to prevail on your assistance in the following matter:

with some others I am in the process of preparing an exhibition on the history of golf in the Netherlands which, if all goes well, will be on view in 1982.

The exhibition will cover the entire history from the Middle Ages to today and will be rather unique in that nothing of the sort has ever been done in this country, where masses of very old and interesting material are available which nobody has ever set eyes on before.

The exhibition (under the title 'Colf-Kolf-Golf') will be accompanied by an illustrated catalogue with stories in Dutch and English. We are trying to cover every aspect of history and this is where the stamps come in.

Could you provide me with a list of postage stamps which have been issued and have a bearing in golf?

Thanking you in advance for your help (I hope I am not asking too much!) I am

sincerely yours

Dear MR. VAN HENGEL

Thank you for your very interesting letter and inquiry about postage stamps related to Golf. I am sorry to report to you that I only collect U.S. Postage stamps and therefore cannot help with your request. All is not lost however, as I am enclosing a copy of an article which appeared some time ago in the GCS Bulletin which should assist your program.

If you notice the article, it mentions another GCS member who has many years experience in Golf

Stamps, Mr. Dick Schulenberg a
resident of Pretoria, South Africa.
and listed on Page 33 of the Directory.

I'm sorry I cannot help you
but it was nice hearing from you
and good luck with your exhibition
and program.

Sincerely

Chet Jensen
