Dear Mr Armour,

Some years ago talking to Mr. Yurek Putter about the history of golf he mentioned that the Registers of the Kirk Sessions of St. Andrews mention an entry where:

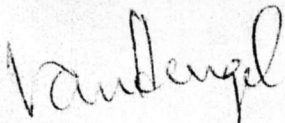

12 merks annually were appropriated to two rented matrons to tend to the injuries incurred in playing golf on the links land

I would be greatly interested to have the date of such an entry and a photograph of it.

As I understand it these registers are in your keeping so I am turning to you for help. Needless to say that I shall be happy to reimburse you for the cost of making a photograph.

Thanking you in advance for your courtesy, I am

sincerely yours,

Steven J.H. van Hengel
