Dear Mr.Terry,

It was very nice to meet you on the 2nd May.I have since written to the Dowager Viscountess Galway who spent some of her early years at Holdenby House.Unfortunately she only recalls that the picture was there at the time(some forty years ago).She think it was sold privately.Your memory therfor is now the only hope I have in finding it.It occurred to me that a single print might be easier for recollection than the whole book,which is why I am enclosing one.

Looking forward to your news and
Thanking you in advance for any help you may be able to give,I am

yours faithfully
