Dear Mr. Van Hengel:

In November 1973 I became a fellow member of the
Golf Collectors' Society and to date I have enjoyed
the contact with other golf enthusiasts who
share my madness.

I enjoy old golf books and clubs and would
like to start some correspondence with you
regarding your interest in books and clubs.

Also let me know if you are interested in
horse-trading, selling or buying golf books and
clubs.

I look forward to hearing from you in
the near future.

Sincerely,

Ralph Pekeski
