Dear Steven,

Received your cheque for the Golf Collectors Society with thanks. I popped it into the Society Bank account and not a word was said although I did bring it to their attention.

Seems to be no trouble at all.

I am writing to Joe and will explain this.

By the way, are there many Golf Clubs in the Netherlands. What would I do to be able to get <sup>GOLF</sup> score cards from The Netherlands. Could I obtain a booklet with all the names of the Courses in the Netherlands easily.

Best wishes for a Happy New Year 1985  
If you are in Edinburgh please

let me know and I would be glad  
if you come to see me.

Thanks again for your cheque

Best Regards

Yours Sincerely

Tom Pratt.

*Dear Tom,*

This is to thank you for your letter of the 22nd January.

Trying to answer your query about golfclubs in this country I could not think of a better one than to send you the official directory for this country, which please find enclosed. I am afraid that if you want their scoring cards you will have to write to all of them separately.

I can save you the stamp for writing to my home club, the Kennemer, though. Enclosed please also find our scoring cards. Some explanation may be useful. The one that says White/Red Boxes is the Medal and Ladies' Medal card of the Orange Course (present Championship Course). The small cards for the Blue Boxes are the Championship Tees Men's (Blue) and Ladies' (Black) of the Orange course. The White Course cards are curios. 9 holes are being added (the last four to be opened this year) and five of these and a small intermediate hole (1A) which is eliminated this year have been in use for some time. Later this year there will be a full nine holes card for the White Course and a new card will be made. Eventually the White course and 9 holes of the Orange course will be combined into a new championship and competition course, leaving the other 9 as extras.

Kindest regards,

*Sincerely yours  
Steven*

Steven J.H.van Hengel

Dear Steven

Many many thanks for the excellent  
book on Golf Courses in the Netherlands. I  
will do as you suggest to contact  
each club individually.

I again read your finale in the  
latest bulletin and if I know you  
and Messrs Henderson & Stirk you will  
keep on investigating Early Golf and  
one day you may publish more information  
about again History of Golf.

Thanks again for the Book and I wish  
you my Best Regards. The score cards  
are also excellent

Yours Sincerely  
Tom Pratt.
