The World Amateur Team Championships attracted sizeable galleries at the No. 2 Course of the Pinehurst Country Club, in Pinehurst, North Carolina.

The 1980 Men's Championship

When the nations gather for the World Amateur Team Championships, very few of them have thoughts of winning. They come, rather, to participate in an event that transcends winning or losing; they come to play the best that they can play and to come away with a feeling of kinship with golfers from other parts of the world.

The original aim of the World Amateur Golf Council, which conducts the championships, was to foster friendship and sportsmanship. For two weeks every other year, these ideals are realized.

The 1980 championships were played over

Country Club, in Pinehurst, North Carolina, and when all the nations gathered, 39 were in the men's field and 28 in the women's competition. This was the largest number of countries to participate in either competition since the men's championship began in 1958 and the women's in 1964.

These records were set, too, with an amalgam of nations that had not been together since 1968. South Africa played, and so did India, Fiji, and Zimbabwe. It was, some said, a triumph of golf over politics — the game above all.

It came about, however, only after some

Hal Sutton, of the United States, shot 276 for the 72 holes in leading the United States to the men's Championship. Sutton's was the low individual score.

ready in Pinehurst to their governments, and while the United States won both competitions, the significant matter was that the championships were played.

The United States won the Eisenhower Trophy by a considerable margin — 27 strokes — but it was interesting to note that the next six countries in the standing represented five continents. South Africa was second, followed by the Republic of China, Japan, Australia, Canada, and Great Britain and Ireland.

If the standing of the teams showed anything, it is that golf is a universal game, and although it was initially spread by the English-speaking peoples, the game today is not confined to them.

Take the matter of individual play. Hal Sutton, the United States Amateur Champion, played wonderfully; his scores were 68-69-71-68—276, 12 strokes under par for the No. 2 Course, a very strong test of golf, set up to play at 6,960 yards. His total, the best of all the 156 individuals, was but six strokes better, however, than the 72-hole score of Tze-Chung Chen, a member of the Chinese Navy. Tze-Chung shot 69-70-71-72—282. In the first round, the United States had the luxury of not counting a par round. While Sutton shot 68, Jay Sigel, the 1979 British Amateur Champion, shot 71, and both Jim Holtgrieve and Bob Tway shot 72. The United States had 211 for the first round, and held an eight-stroke lead over South Africa and the Republic of

China. With another 211 in the second round, the United States increased its lead to 13 strokes after 36 holes, with South Africa second, in the third round the lead was raised to 14 strokes.

The Americans' final daily total of 209 was the lowest for any team during the week. It was built on Sutton's 68, 70 by Holtgrieve, and 71 by Tway. The final score was 848 for the United States, and 875 for South Africa and 884 for the Republic of China.

In addition to Sutton and Tze-Chung, two others scored lower than 290. Holtgrieve had 285 and Tway 288. Tetsuo Sakata, of Japan, and Peter Sweeney, of Australia, shot 291, and Masavuki Naito, also of Japan, and

Byong Hoon Kim, of Korea, shot 70 in the first round, the second lowest individual score. He attended college at the University of Dayton, in Dayton, Ohio.

The victorious United States Team that won the Women's Championship. From left: Mrs. Juli Inkster; Miss Carol Semple; Mrs. Patrick Segard, of France, Chairman of the Women's Committee of the World Amateur Golf Council; Miss Patrice Rizzo; Miss Libby Brand, non-playing Captain of the United States Team.

1980 Women's Team Championship

The United States won its seventh victory in the Women's World Amateur Team Championship, played over the No. 2 Course at Pinehurst, and while the 1980 victory was not as close as some of the others (the United States won by one stroke in 1970, by four in 1972, and by five in 1968) the final seven-stroke margin certainly seemed a lot closer. It took some forthright golf to pull it off.

The final totals were 588 for the United States and 595 for Australia. The United States Team comprised Mrs. Juli Simpson Inkster, the U.S. Women's Amateur Champion, Miss Patrice Rizzo, who had been runner-up to

Mrs. Inkster in the Women's Amateur, and Miss Carol Semple, a former Women's Amateur Champion. Miss Semple was the only American player with previous experience on an international team.

Australia sent back the same three women who had won the Espirito Santo Trophy in 1978 — Mrs. Lindy Goggin, Miss Edwina Kennedy, and Miss Jane Lock. Miss Lock, unfortunately, was far off form, and her scores did not count toward the team totals. Both Miss Kennedy and Mrs. Goggin, however, played extremely well, with Miss Kennedy shooting 296 for the 72 holes, and Mrs. Gog-

gin 299. Australia, therefore, was the only country with two players under 300.

Australia led after the first day's play. Miss Kennedy shot 73 and Mrs. Goggin 77 for 150. The United States, however, was only a stroke behind at 151, on 78s by both Miss Semple and Mrs. Inkster and 73 by Miss Rizzo.

The next day Miss Rizzo shot 70 and Mrs. Inkster 75, against 71 by Miss Kennedy and 75 by Mrs. Goggin. The United States and Australia were tied, at 296, with Spain, behind a 70 from Miss Marta Figueras-Dotti, next at 304.

Miss Semple had her troubles the first two days, shooting 78 and 79, but she shot 74 in the third round. Mrs. Inkster also had 74, giving the United States 148 for the day, and when Australia shot 151, the United States moved three strokes ahead.

The victory was established early on the final day when Miss Semple birdied five of the first eight holes, bogeyed two, and played the first nine in 34, three strokes under the par established for the women's championship. She had three more birdies on the second nine and shot 71. Mrs. Inkster followed her in with 73, and the United States not only had its lowest team total of the four days, 144, but also the championship. Miss Kennedy shot 76 and Mrs. Goggin 72.

While individual scores are not part of the championship, it is worth noting that Miss Rizzo shot 73-70-75-76—294, the lowest of the four days. Miss Kennedy had 73-71-76-76—296, Miss Figueras-Dotti shot 298 and helped Spain tie with France for third place.

The Record Book for the 1978 World Amateur Team Championships stated on Page 18 that Jane Lock, of Australia, and Beth Daniel, of the United States, both of whom shot 298, at the Pacific Harbour Golf and Country Club, in Fiji, had the low individual score. This was in error. Mrs. Cathy Sherk, of Canada, was low, with 294.

Although her score counted on only two of the four days, Patti Rizzo's 72-hole score of 294 was the lowest individual total.

Section 2. Rules of Golf

The Championship shall be conducted in accordance with the Rules of Golf as approved by The Royal and Ancient Golf Club of St. Andrews, Scotland, and The United States Golf Association; however, if those organizations should have differing codes, the code of the host country shall apply.

ARTICLE III

Section 1. Eligibility

Membership in the Council is open to any organization which:

- Constitutes the sole central authority for amateur golf in its country; and

Section 2. Election

An application for membership shall be supported by copies of the applicant's constitution and by-laws or similar documents and such other data as the Administrative Committee determines.

An applicant may be elected to Membership by the Council after determination by the Administrative Committee that the requirements for membership have been met.

Section 3. Finances

(a) Member Organizations shall pay annual dues of \$50, payable in January of each year in the currency of the Secretary's country unless prohibited by law or government regulation. Income from dues shall be used to defray all Council expenses relating to men's events. If expenses in a given year result in a deficit in the Council's account, which shall be located in the Secretary's country, the deficit shall be shared by those Member Organizations participating

Expenses of the Council shall be limited to the following:

- Insurance and maintenance of the Championship trophies;
- Provision of prizes for individuals;

Section 1. Time

The Championship shall be held biennially, starting in 1958, on such dates as the Council shall determine. Normally, the Championship shall be held in the second or third week of October.

Section 2. Place

(a) The Championship shall be rotated among the

- (1) Australasian Zone — Countries of Asia, Australia, New Zealand and Oceania.
- (2) American Zone — Countries of North America, Caribbean America and South America.
- (3) European-African Zone — Countries of Europe, Africa and the Middle East.

(b) Invitations to entertain the Championship shall be submitted by Member Organizations to the Secretary at least three months in advance of the Biennial Meeting immediately preceding. The Secretary shall inform all Member Organizations of such invitations at least one month in advance of the Meeting.

(Note: Invitations may be submitted by any Member Organization in any zone. Although invitations from the appropriate zone will, of course, be given first consideration, it is important that invitations from other zones, particularly the zone next in order, should be available in case no invitation acceptable to the Council has been received from the appropriate zone.)

At the time of submitting its invitation the Member Organization shall represent that, subject to any restrictions imposed upon it by the Government of its country, it will allow all other Member Organizations to compete if its invitation is accepted. It shall also present with its invitation a statement from a properly authorized official of the Government of its country that all Member Organizations, other than those (if any) named in the statement, will be allowed to visit the country and to compete in the Championship without any restriction whatsoever.

At a time not more than eight months and not less than seven months from the first of the month in which the Championship is to take place, both the Member Organization and a properly authorized official of the Government of its country shall reiterate the statement made in the paragraph above.

Championship invitations shall not be issued and pertinent advertising/promotion shall not be engaged in more than 3½ years in advance.

(c) The location of each Championship shall normally be determined by the Council at its Biennial Meeting immediately preceding. In reaching its decision the Council shall have regard to:

- (i) the importance of locating the Championship in the appropriate zone in accordance with Section 2(a) of this Article;
- (ii) the desirability of distributing the location of the Championship fairly among the Member Organizations in each zone; and
- (iii) the degree (if any) to which an invitation to entertain the Championship has been restricted by the Government of the country concerned.

If no invitation acceptable to the Council has been received from within the appropriate zone, the Council may consider and accept any invitation which may have been received from within the zone next in

...However, if the Council at its Biennial Meeting is unable, due to a lack of acceptable invitations or for any other reason, finally to decide the location of the next Championship, the Administrative Committee shall take such steps as are necessary to ensure the continuance of the Championship.

(d) The Council shall have the power to waive the annual dues of any Member Organization which, owing to a restriction imposed by the Government of the country in which a particular Championship is being held, has not been invited to participate in that Championship.

(b) The Championship shall consist of 72 holes stroke play; 18 holes each on four consecutive days of the Championship period. In each 18-hole round, the total of the three lowest scores by players of each Team shall constitute the Team score for that round.

The total of the three-player Team scores for the four rounds shall be the Team's score for the Championship.

The Champion shall be the Team with the lowest such total score for 72 holes.

Teams concerned shall play off at 18 holes stroke play, the exact day to be determined in advance by the Member Organization entertaining the Championship. The Team with the lowest total score by three players shall win the play-off. Should an 18-hole play-off result in a further tie, the Teams so tied shall immediately continue to play off hole by hole until the winner is determined; the total of the three lowest scores will be the Team score for each hole.

Section 4. Prizes

(a) The Eisenhower Trophy, presented to the Council by friends of golf in the United States through The Royal and Ancient Golf Club of St. Andrews and The United States Golf Association, shall be held for the ensuing biennium by the Member Organization whose Team is the winner.

(a) Prior to a Championship, the Administrative Committee shall appoint a Championship Committee to conduct the event. The host Member Organization shall be represented on the Championship Committee.

(b) The Championship Committee shall be authorized to decide when a Championship course is unplayable.

(c) If a Championship course is declared unplayable and as a result it is not possible to complete 72 holes of play in the period in which the Championship is scheduled, the Championship shall not be extended beyond the last scheduled day and the winner shall be the Team which returns the lowest score for the number of stipulated rounds played, except that, if it is not possible to play at least 36 holes in the four scheduled days, the Championship shall be terminated without a champion being determined.

(d) The Championship Committee shall be authorized to schedule in advance a round of less than 18 holes, i.e., the Committee shall be authorized to declare before play begins on any day that the stipulated round for that day shall be, for example, nine holes; the Committee shall not be authorized to declare during play of a round that the stipulated round for that day shall be, for example, nine holes if the stipulated round when play began was to be 18 holes.

The Council shall conduct a Senior Amateur Team Championship, open to Teams representing the Member Organizations.

Competitors shall be at least 55 years of age on the first day of the Championship.

All relevant provisions and principles of Articles IV, V, VI, VII and XII shall apply except as follows.

Section 2. Time

The Championship shall be conducted biennially in the Autumn, in alternate years from the Men's and Women's Championships. Specific dates should be subject to approval of the Administrative Committee.

Section 3. Place

(a) Each Member Organization will be invited to send a Delegate to a meeting to be held during the Senior Championship to consider invitations to entertain the next Senior Championship. The recommendation of the Delegates of this meeting shall be subject to approval of the Administrative Committee.

(b) Invitations to entertain the Senior Champion-

the Secretary at least three months in advance of the meeting of delegates.

Section 4. Form of Play

(a) Each Team shall consist of four players.

(b) The Championship shall consist of a 36-hole stroke play qualifying competition over two days, 18 holes on the first Championship day and 18 holes on the second Championship day, followed by two rounds of match play over two days in flights of 4.

(c) In each 18-hole qualifying round, the total of the three lowest scores by players of a Team shall constitute the Team's score for that round. The total of a Team's three-player scores for the two rounds shall be the Team's qualifying score.

(d) Teams shall be placed in flights for match play according to qualifying scores, with the four lowest-scoring Teams comprising the Championship Flight, the Teams in positions 5 through 8 comprising the Second Flight, and so on.

(e) In event of a tie for last place in the Championship Flight, there shall be a sudden-death play-off among all players of the tied Teams, with the three lowest scores by players of a Team constituting the Team's score for a hole. A tie for last place in any other flight shall be decided by lot.

(f) In each flight, Teams shall be number 1 through 4 based on qualifying scores. In event of a tie, Team numbers shall be decided by lot. In the first round of match play Team No. 1 shall play Team No. 3 and Team No. 2 shall play Team No. 4. In the second round of match play, the first-round winners shall play for the first place and the first-round losers shall play for third place. Prizes shall be awarded to each member of the first, second and third place Teams in each flight.

(g) The winner of a match shall be determined as follows: Prior to each match, each Team Captain shall present to the Committee by a specified time his Team's line-up, i.e., a list of his players numbered 1 through 4. The No. 1 players of two opposing Teams shall play an 18-hole match for one point, the No. 2 players shall play for a point, and so on. In event of a tied match, each player shall be awarded ½ point. The team with the most points shall be the winner.

(h) In event of a tie between two opposing Teams in the Championship Flight, there shall be a sudden-death play-off among all players of both teams, i.e., the first Team "up" after a hole shall be the winner. For example, if the No. 1 player of Team A wins the first extra hole from the No. 1 player of Team B, the No. 2 player of Team B, wins the first extra hole from the No. 2 player of Team A, the No. 3 player of Team A wins the first extra hole from the No. 3

player of Team B and the No. 4 players of the two teams halve the first extra hole, Team A would be the winner. Ties in other flights shall be decided on a margin-of-victory basis. If the opposing Teams are also tied on a margin-of-victory basis, there shall be a sudden-death play-off as in the Championship Flight. The winner on a margin-of-victory basis is the Team with the highest figure when the margin-of-victory figures of its winning players are totaled. For example, if players No. 1 and 3 of Team A win by 4-2 and 2-1 and players No. 2 and 4 of Team B win by 3-2 and 2-1, Team A would be the winner as the total of its margin-of-victory figures is 9 (4+2+2+1) compared with B (3+2+2+1) for Team B.

(i) All matches in a given flight will tee off in immediate succession. If necessary, play shall be in groups of four, i.e., the No. 1 players of two opposing Teams would play their match concurrently with the No. 2 players of the same Teams. They would be followed immediately by the No. 3 and 4 players of the same Teams.

(j) If the total number of Teams entered is divisible by 4, each flight shall comprise four Teams. If the total is not divisible by 4, the following schedule will be used. In flights of less than four Teams bye(s) shall be used for the last place(s):

Teams Entered	No. of Teams in Each Flight (Championship Flight Listed First, Etc.)	
	9	4-3-2
10	4-4-2	
11	4-4-3	
13	4-4-3-2	
14	4-4-4-2	
15	4-4-4-3	
17	4-4-4-3-2	
18	4-4-4-4-2	
19	4-4-4-4-3	

Section 5. Prizes

The Shun Nomura Trophy, presented to the Council by friends of golf in Japan through the Japan Golf Association, shall be held for the ensuing biennium by the Member Organization whose Team is the winner.

In the event of abandonment of the Senior Amateur Team Championship, such use or other disposition of the Shun Nomura Trophy shall be made as the Japan Golf Association may in its discretion determine.
