# South Africa Wins the 2006 Women's Championship

South Africa withstood a surge by defending champion Sweden and won the 2006 Women's World Amateur Team Championship on a tiebreaker, becoming the first victorious host nation since 1980.

"It is still amazing to me that we won," South African captain Sandra Winter said of winning the nation's first Espirito Santo Trophy in 17 appearances. "I thought that after we had a slow start we might have a strong finish and we did."

"It means so much to me, especially when you win in your home country," Bregman said. The USA won at home in 1980 and France won in 1964. South Africa's previous best finish was a tie for second in 1974.

Shean, who birdied four consecutive holes on the back nine, was the only member of the winning team to have all four of her scores count. In the ebb and flow of the scoring on the second nine holes, her birdie run and two clutch par putts from Simon, on the 16th and 17th holes, were critical.

Playing at De Zalze Golf Club, Ashleigh Simon, 17, of Johannesburg, and Kelli Shean, 18, of Cape Town, each shot 2-over par 74 for their final day total of 148. Teammate Stacy Bregman, 19, of Standton, shot 75.

Sweden made up a four-stroke deficit to South Africa, even taking the lead for a brief time. They tied the host nation at 10-under-par for a 72-hole total of 566.

Their counting scores were a 3-under-par 69 from Caroline Westrup, the low individual scorer for the championship, and a 75 from either Anna Nordqvist and Sofie Andersson. Their final round total was 144.

With the initial tie-breaker (final round non-counting score) being equal on 75s from Bregman, and either Nordqvist or Andersson, the procedure moved to the second criteria, the non-counting score from the third round. South Africa's Simon shot 73 in the third round and Sweden's Andersson shot 77.

In 2002, Australia won over Thailand using the first criteria, the only other time a tiebreaker was needed.

"I don't think anybody was expecting us to win," Shean said. "But, we proved we could."

Sweden was vying to become the first team to win consecutive championships since the USA did in 1988 and 1990. The Swedes are the only country to finish in the top 10 in all 22 championships.

"If we get a few hours away from this, we will like the silver medal," said Sweden's coach Katarina Vangdal. "I was not surprised by South Africa after I saw them the first day. They had a great tournament. They were impressive."

Colombia moved from tied for 11th place into bronze-medal placing with a 6-under-par 66 from Carolina Llano, the low round of the day, and a 2-under-par 70 from Eileen Vargas. The Colombians registered a 136, the lowest final round team total in championship history.

France was fourth at 568; Germany and Japan tied for fifth at 569; New Zealand placed seventh at 570; Spain was eighth at 572; the United States of America was ninth at 574; and Chinese Taipei was 10th at 576.

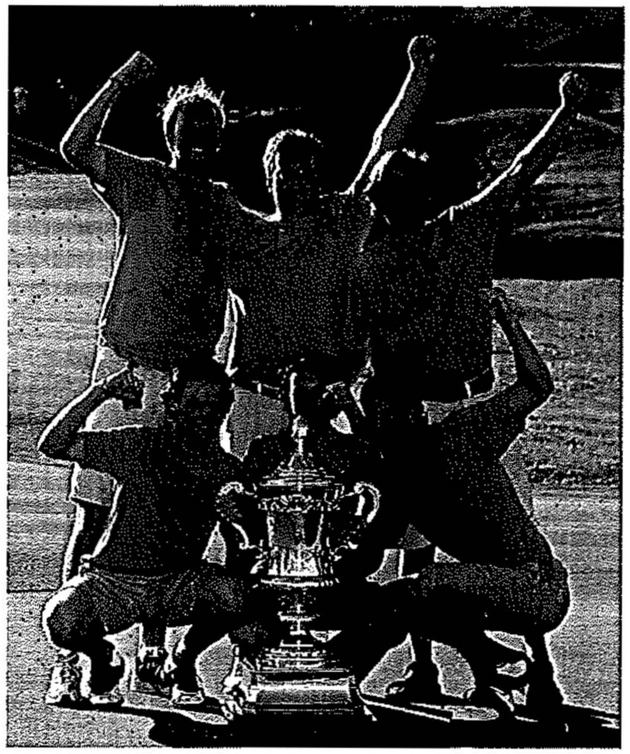
## Netherlands Wins the 2006 Men's Championship

Joost Luiten of the Netherlands played his last five holes in six-under-par and finished with a 5-under-par 67 as the Dutch captured the Eisenhower Trophy for the first time as the winners of the 2006 World Amateur Team Championship in Stellenbosch, South Africa.

With Canada and the Netherlands battling for the top position, 20-year-old Luiten began his run with a birdie on the par-5 14th hole at De Zalze Golf Club. He then holed a sand wedge from 93 yards on the par-4 15th for an eagle and closed with birdies on the 16th, 17th and 18th.



With Luiten's 67 and a 2-under-par 70 from Wil Besseling, the Netherlands won by two strokes over second-place Canada and by three over third-place USA at 22-under-par 554. Their winning total is the lowest since the two counting scores format was instituted in 2002.

"His nickname is Pyromaniac and he went on fire," said Dutch coach Chris van der Velde of Luiten, who won the German and French Amateurs in 2004 and the Dutch Stroke Play in 2006. Luiten also won the first stage of European Tour qualifying in 2006 at 22-under-par.

Contrastingly, Luiten's five-hole streak began after he had bogeyed three of his previous four holes.

"It just happened," Luiten said. "After 15, I knew I was in the zone."

For most of the final nine holes, the champions jockeyed with Canada, which shot 7-under-par 137 on a 68 from Richard Scott and a 69 from James Love.

"We didn't lose it," said Canada's captain Doug Roxburgh. "The Netherlands won it. They made the birdies coming home."

"You can't question how good they are," said Scott. "They were 22-under par. They went out and won it."

Trip Kuehne was 5-under-par on his second nine and finished at 3-under 69 to go along with a 69 from Chris Kirk to move the USA into the bronze medal slot.

"The Netherlands played great," Kuehne said. "What Joost did out there is the stuff of legends."

The previous best finish for the Netherlands was a tie for eighth place in 1992 and 1994. The host South Africans finished tied for 22nd.

The rest of the top 10 included: Wales in 4th at 559, Korea in 5th at 561, England, Scotland and Argentina tied for 6th at 563, and France and Ireland tied for 9th at 564.

Although there is no individual recognition, Besseling was the low scorer at 13-under-par 275.

An applicant may be elected to Membership by the Federation after determination by the Administrative Committee that the requirements for membership have been met.

**Section 3. Finances**

(a) Member Organizations shall pay annual dues, as shall be determined by the Federation, payable in January of each year in the currency of the country in which the Federation's Administrative Office is located - see Article XI - unless prohibited by law or government regulation.

(b) Income from dues shall be used to defray all Federation expenses. If expenses in a given year result in a deficit in the Federation's account, which shall be maintained in the Administrative Office, that deficit shall be apportioned among the Member Organizations in the same proportion as their annual dues.

Expenses of the Federation shall be limited to the following:

(1) Cost of Administration including staff, office rent, stationery, postage, printing and other communications incurred by the Administrative Office.

(2) Expenses including travel and hotel accommodation authorized by the Administrative Committee.

ARTICLE IV
*Championships*

**Section 1. Time**

such dates as the Federation shall determine. Normally, the Championships shall be held in consecutive weeks in the time period starting with the second half of September through the first half of November, with the two competitions being staged in the same geographical location.

**Section 2. Place**

(a) The Championships shall be rotated among the three following Zones in the order stated:

(1) Asia-Pacific Zone - Countries of Asia, Oceania, and some countries of the Middle East.

(2) American Zone - Countries of North America, the Caribbean, Central America, and South America.

(3) European-African Zone - Countries of Europe, Africa, and some countries of the Middle East.

All questions as to a country's zone shall be settled by the International Olympic Committee's Continental Divisions.

(b) Invitations to entertain the Championships shall be submitted by Member Organizations to the Administrative Office five years in advance. The Administrative Office shall inform all Member Organizations of such invitations.

(Note: Invitations may be submitted by any Member Organization in any Zone. Although invitations from the appropriate Zone will, of course, be given first consideration, it is important that invitations from other Zones, particularly the Zone next in order, should be available in case no invitation acceptable to the Federation has been received from the appropriate Zone.)

At the time of submitting its invitation the Member Organization shall represent that, subject to any restrictions imposed upon it by the Government of its country, it will allow all other Member Organizations to compete if its invitation is accepted. It shall also present with its invitation a statement from a properly authorized official of the Government of its country that all Member Organizations, other than those (if any) named in the statement, will be allowed to visit the country and to compete in the Championship without any restriction whatsoever.

At a time not more than eight months and not less than seven months from the first of the month in which the Championships are to take place, both the Member Organization and a properly authorized official of the Government of its country shall reiterate the statement made in the paragraph above.

(c) The location of each Championship shall normally be determined by the Federation at its Biennial Meeting four years in advance. In reaching its decision the Federation shall have regard to:

(1) The importance of locating the Championships in the appropriate Zone in accordance with Section

(2) The degree (if any) to which an invitation to entertain the Championships has been restricted by the Government of the country concerned.

If no invitation acceptable to the Federation has been received from within the appropriate Zone, the Federation may consider and accept any invitation which may have been received from within the Zone next in order of rotation.

However, if the Federation at its Biennial Meeting is unable, due to a lack of acceptable invitations or for any other reason, finally to decide the location of the next Championships, the Administrative Committee shall take such steps as are necessary to ensure the continuance of the Championships

(d) The Federation shall have the power to waive the annual dues of any Member Organization which, owing to a restriction imposed by the Government of the country in which a particular Championship is being held, has not been invited to participate in that Championship.

ARTICLE V
*Amateur Team Championships*

**Section 1. Entry Dates**

Each Member Organization shall inform the Administrative Office biennially as to whether or not it will enter the Championships; such notification shall reach the Administrative Office not later than three months before the first Championship.

Each Member Organization which enters the Championships shall inform the Administrative Office of the personnel of its Team not later than one month before the Championships. Substitutions may be made at any subsequent time at the pleasure of the Member Organization, until the time that the Team has registered on-site at the Championships.

The R&A shall not be entitled to enter a team from Great Britain & Ireland in any year in which teams are entered by the Golf Unions of England, Ireland, Scotland, and Wales.

**Section 2. Qualification of Players; Amateur Status**

The players comprising each Team shall be:

(a) Amateur golfers under the Rules of Amateur Status of either The R&A or the United States Golf Association; and

(b) Citizens of the country of the Member Organization represented.

A player with dual nationality who has played for one country in a Championship may, in the immediately following Championship, play for the other country of which he or she is a citizen, provided he or she has been a citizen of the other country for at least one year.

Each Team shall have a Captain, who may be either a player or a non-player.

In the case of doubt regarding citizenship, the IGF Secretariat will make the final determination.

Section 3. Form of Play

(a) Prior to the date for closing of entries, the Joint Secretaries shall determine the maximum number of Teams, using two courses, which can be accepted at the selected venue. At the date of closing of entries, if the number of Teams entered does not exceed the maximum acceptable number, the Teams will consist of two or three players. If the number of Teams entered exceeds the maximum acceptable, then the Administrative Committee shall determine a revised format for the Championships or a method of eliminating entries, as it considers appropriate.

(b) The Championships shall be conducted in accordance with the Rules of Golf as approved by The R&A and the United States Golf Association.

(c) The Championships shall consist of 72 holes stroke play; 18 holes each on four consecutive days of the Championship period. All the players of each Team shall be eligible for all four rounds; disqualification of a player under the Rules of Golf in any round shall not be effective for any subsequent round unless the Championship Committee determines otherwise.

The Secretariat shall determine the starting times for each country and the course on which each country plays. They shall also determine the method by which the countries are divided between the two courses for the third and fourth rounds.

In each 18-hole round, the total of the two lowest scores by players of each Team shall constitute the Team score for that round.

The total of the two-player Team scores for the four rounds shall be the Team's score for the Championship.

The Champion shall be the Team with the lowest such total score for 72 holes.

(d) Prior to the start of every Championship, the Administrative Committee shall decide the procedure to be adopted in the event of a tie.

Section 4. Prizes

(a) The Eisenhower Trophy, presented to the Federation by the Friends of American Golf through The R&A and the United States Golf Association, shall be held for the ensuing biennium by the Member Organization whose Team is the winner of the World Amateur Team Championship.

(b) The Espirito Santo Trophy, presented to the Federation by the family of Ricardo Espirito Santo through the Portuguese Golf Federation, shall be held for the ensuing biennium by the Member Organization whose Team is the winner of the Women's World Amateur Team Championship.

(c) A uniform type of prize for individuals shall be awarded to the players and the Captains of the winning Teams, the second-place Teams, and the third-place Teams.

(d) No other prizes may be accepted from any source, except symbolic gifts by a Member Organization to its Teams.

Section 5. Championship Committee; Course Unplayable

(a) The Administrative Committee shall appoint a Championship Committee to conduct the event. The host Member Organization shall be represented on the Championship Committee.

(b) The Championship Committee shall be authorized to decide when a Championship course is unplayable.

(c) If a Championship course is declared unplayable and as a result it is not possible to complete 72 holes of play in the period in which the Championship is scheduled, the Championship shall not be extended beyond the last scheduled day and the winner shall be the Team which returns the lowest score for the number of stipulated rounds played, except that, if it is not possible to play at least 36 holes in the four scheduled days, the Championship shall be terminated without a Champion being determined.

## ARTICLE VI
*Arrangements for Championships*

The Member Organization entertaining the Championships shall have the honor of and be responsible for planning and arranging for the Championships, subject to the applicable provisions of these Articles and approval by the Administrative Committee, and for all the expenses in connection therewith except the expenses of the Teams. Member countries from each of the three Zones should determine in advance of the Administrative Committee Meeting how they would nominate the countries to be represented on the next Administrative Committee. However, if for any reason they cannot come to an agreement on the countries, or which countries will provide male or female representatives, the Joint Chairmen and the Women's Chairman will assume responsibility for nominating the countries/representatives.

Additional nominations may be made by Delegates to the Biennial Meeting.

# HISTORY OF THE INTERNATIONAL GOLF FEDERATION

**Dilemma, but a good one:**
By the 1950s, the United States Golf Association (USGA) has received too many invitations for international matches against individual countries to be able to accept them all.

**January, 1958:**
The USGA Executive Committee, discussing yet another of these generous invitations – this time from Japan – proposes the establishment of an international team competition so that all countries can participate in these types of events.

**March, 1958:**
Representatives from the USGA travel to Scotland to discuss the idea with representatives of The Royal & Ancient Golf Club of St. Andrews, Scotland (The R&A). The concept is enthusiastically received.

**May, 1958:**
Representatives from 35 countries meet in Washington, D.C., USA, hosted by the USGA and The R&A, to establish the World Amateur Golf Council (WAGC), so that it may conduct the World Amateur Team Championship. The meeting is arranged through cooperation with Pan American Airlines and the U.S. Department of State, and the trips of all attendees are funded by an anonymous group, the Friends of American Golf. President Dwight D. Eisenhower welcomes the group in the White House Rose Garden. The Council is begun with 32 Member Organizations and governing Articles are established.

**October, 1958:**
The first Championship is hosted by The R&A on the Old Course at St. Andrews, Scotland. The Australian team defeats the American team in an 18-hole play-off by two strokes. Bob Jones is the Captain of the USA team.

**September, 1960:**
The second Championship is hosted by the USGA at Merion Golf Club (East Course) in Ardmore, Pennsylvania. Although the original 1958 Delegates envisioned that the Championship would be match play by this year, it has remained at stroke play through the present day. Jack Nicklaus's 72-hole record of 269 at Merion GC still stands today.

**1964:**

The French Golf Federation proposes that the USA Curtis Cup Team stop in France for an informal match following the Curtis Cup Match in Wales. The USGA accepts the invitation but also suggests inviting other nations to create a women's counterpart to the World Amateur Team Championship. The French are delighted to do so.

Vicomtesse de Saint Sauveur (known to many as Lally Segard), of France, and Mrs. Henri Prunaret, of the United States, planned the Championship.

**October, 1964:**
The French Golf Federation holds the first Women's World Amateur Team Championship. Twenty-five teams compete. France beats the USA by one stroke.

With sincere thanks to France, it is unanimously agreed that the World Amateur Golf Council will hereafter conduct the Women's event.

**1991:**
The World Amateur Golf Council becomes affiliated to the International Olympic Committee as its recognized International Federation for golf.

**2003:**
The World Amateur Golf Council changes its name to the International Golf Federation

## Espirito Santo

The Cup once belonged to the Tsar of Russia, Nicolas II. It is rumored to once have been gold plated. After the Russian Revolution of 1917 the precious belongings of the Royal Family were scattered in auction sales and Ricardo and Silvia Espirito Santo of Portugal bought the Cup. The original intention was for a Portuguese International event, but as it was only played once or twice the Trophy then had no destination. Vicomtesse de Saint Sauveur, the co-founder of the Women's World Amateur Team Championship in 1964, contacted the Espirito Santos when she heard the Cup might be available. They were thrilled to offer the Trophy, through the Portuguese Golf Federation, for the inaugural event in France.

## Eisenhower

With the blessing of Dwight D. Eisenhower, 34th President of the United States of America, the World Amateur Team Championship is played for the Eisenhower Trophy. It is inscribed, "To foster friendship and sportsmanship among the Peoples of the World," the IGF's guiding principle. The trophy was presented, via the United States Golf Association and The Royal & Ancient Golf Club of St. Andrews, Scotland (now The R&A), by the Friends of American Golf for the inaugural World Amateur Team Championship played on the Old Course in St. Andrews in 1958.
