

Er is niks mis met golfen. Behalve als Heinz zich ermee bezig gaat houden. Dan loopt het meestal snel uit de hand. In dit boekje moet hij toezien hoe Jodocus de schildpad een hole-in-one slaat, loopt hij een rondje met Sokko het Slurfmannetje van de planeet Plurk, krijgt hij aanwijzingen van Frits, die dan net door een heks is omgetoverd in een soort meerkoet, en moet hij golfen met de koning uit *Alice in Wonderland*, waarbij zijn kop eraf gaat als hij wint, en trouwens ook als hij verliest.

De strip *Heinz* bestaat al sinds 1987. De makers, Eddie de Jong (1950) en René Windig (1951) wonnen met *Heinz* diverse prijzen.
