

Dear Doug. a few lines wishing you all the best for
Xmas. many thanks for balls & tee received safe.
I will enclose a piece from Goy Illustrated re Belg. Alliance.
isnt it possible that you typed a copy & sent it to the
bournemouth, & also to the Netherlands Goy Committee
explaining what has been done there with only 6 clubs.
or perhaps you could write to the Belg. Sec. asking him if he
could give you information, as to what lines they are running
in & perhaps we could arrange a game with them in Antwerp
or Brussels. I think we are much stronger than they are as a
team & perhaps with them the ~~N.G.C.~~ N.G.C. I mean. seeing what
has been done there we might get some help from them, its only
suggestions on my part, have you heard from del Court, or
from Lambert anything that was talked about during
the game with the amateurs. I have sent your letter to
Mr. Smith on to him. now Doug. let me know what you
think of my suggestions & what you intend to do.
also dont forget to collect the subscriptions in good time so
that you can get some cash in hand.
But I am sure we must get an Alliance also.
now all the best

Yours Sincerely

A Burrows.
