

NEDERLANDSCH GOLF COMITÉ

PARK RIJKSDORP
WASSENAAR

Oct. 8th 1920

Dear Monk,

I hear that a match for a cup and prizes offered by the Harlequin Golf Ball Co. will be played at Stegels on October 17th.

As I wrote to you before any Dutch Championship must be governed by the Nederlandsche Golf Comité so I must kindly request you to call this match a "Harlequin Cup for Professionals in Holland".

As to a closed Championship; the foundation will be proposed in our Committee's meeting in January and we shall be very pleased if the cooperation between the Netherlands Professional Golfers Alliance and the Nederlandsche Golf Comité would lead to the institution of the Dutch Closed Championship.

Hoping your match will be a success

Yours truly

J. Nedel Curatarius
