

ENSCHÉDE, 13th. October 1928

Mr. Douglas M. Monk,

H i l v e r s u m .

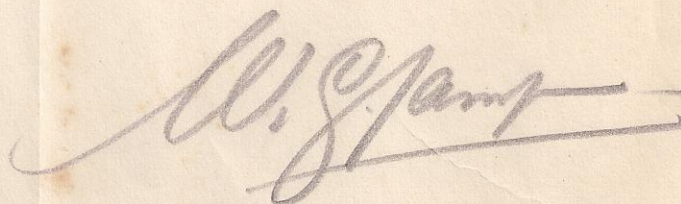

Dear Sir,

In reply to yours of the 11th. inst. I beg to say that I note your remarks and will try to get markers. We are all beginners and the rules are not known very well by our members, but I will try to select the best.

I have gone through the Local Rules with Mr. Spalding and we have revised them slightly and will give an explanation of them before you start so that they are uniformly carried out. I also hope I will find somebody to present the prizes. If not successful I will in last instance do it myself.

I arranged with Mr. Spalding that you should start 9.30 a.m., have interval for lunch from 12 - 2 and start 2.- p.m. for second round. This will enable you to finish at half past four easily and I trust this will be quite in time to get your trains.

Yours truly,
