Oostvoorne (Z. H.)

Dear Doug.

in answer to yours of 22nd, so sorry to hear you are not up to much & hope you are alright now. I have had a few days in bed myself this week with a touch of the flu, but I'm feeling better again now. I'm pleased you have heard from the N.Y.C. at last, but of course they have no right to run our Association, but they recognise it, & that's all we want for that, I can't understand that ~~now~~^{no} mention is made of an Alliance, it's a misunderstanding somewhere, but if I where you I should write & ask if they will co operate with us in forming a Alliance, I have spoken to a lot of people about it & all are strongly in favour of it. I will try & get hold M^r Smith & see what I can do with him. but of course the best thing would be to buy a medal to start with for the closed championship, The Belgium Open there is no cup. & for about £2 or 2.10 we could get a decent medal. anyhow we must have a meeting but I could not come on Mon. Wed. or Frid. But we ought to try & get together early, have you got all the subs, in yet, Wed.

Dear Doug. I have waited to see M^r Smith but he is out.
