

NEDERLANDSCH GOLF COMITÉ

PARK RIJSDORP
WASSENAAR

Febr. 19th 1929

Dear Monk.

I have waited to answer your letter of Oct. 30 till the meeting of the "Nederlandsch Golf Comité" had taken place.

It is with the greatest interest that we heard of the foundation of the Professional Golfers Association and we are sure that the cooperation of your Association and the Ned. Golf Comité will be a success.

As to your kind invitation to me, to become Hon. President, I highly appreciate it, but as I am not at the head of our Comité, I think you ought to offer it to our President Jhr. A. Bronck Sturgenjé (Jan v. Nassaustr. 42. The Hague).

I suppose you will now proceed to the institution of a closed professional Championship of Holland; if so, the Ned. Golf Comité will be very pleased to offer f. 150.. (one hundred and fifty florins) a year, to meet you in the expenses of that Competition. —

Trusting that your Association will be a great success

Yours truly

J. Nedel Comtaubien

Sec. N.G.C.
