

Mr. Douglas Monk,

H i l v e r s u m .

Dear Mr. Monk,

As on the 24th. April there is a hunt with the hounds of the Koninklijke Jachtvereniging and many of our members are horsemen and -women and scores of others want to watch this cross country after the hounds, the day is not at all suitable for your match. I have now put it on Thursday the 25th and hope this will also suit you. If not, will you give me another date somewhere near these that will suit you. I suppose the Saturday will be impossible?

Yours truly,

W. Gamp
