Dear Mr. Monk,

We must fix the date for the T.G.C. Cup Match and we have selected Saturday 26th April for this. We should be very pleased indeed if you could take this date, as a Saturday is of course so very much better for us than a midweek day. Last year you had objections, but afterwards I saw with pleasure that you played the Harlequin Cup on a Saturday so that I gather that the points you raised against it are not so severe.

I await your early reply as we are about to print them.

Yours truly,

Hon. Secr. T.G.C.
