Dear Mr. Monk,

I duly received your letter and
of course cannot decide on this by myself.
Before discussing the matter in our meeting
on Friday night I should like to know whether
you leave the matter of prize money entirely
free to us if the match were fixed on a mid-
weekday. If you reply immediately, your post-
card will reach me in time for the meeting
on Friday night.

Yours truly,

W. G. J. Jansz
