Dear Mr. Monk,

I hope to receive from you many entries for the National Championship to be played over our course on July 27th.

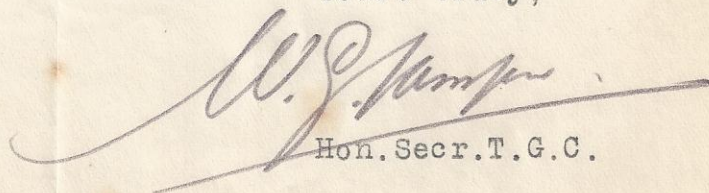

I should like to hear from you what entrance fee you should like to fix for the members of your Prof. Golfers' Association. As you know these fees come to your Association.

Your members playing in this match will have free luncheon and tea on Saturday and Sunday.

Draw will be held by the Committee of the T.G.C. We start at 9.45 with about 3 minutes intervals according to starting list.

If you want me to arrange for hotel accommodation for you let me know beforehand.

Yours truly,

  
Hon. Secr. T.G.C.
