Dear Douglas

In reply to yours re the Holland
Belgium match we should like to play
the match the day before your Open on
the same course

Do you think it necessary for me to
bring the cup as you all have seen it
also it will save me a lot of trouble of
having to take it to Holland and bring
it back to Belgium the day after
Your letter as made me feel keen on golf
again so I am busy sharpening up my
Noblek for hell the man than get's drawn
against me

Kindest regards

Yours sincerely
George Pennell
