Dear Sir,

We have gone carefully into the matter of the query raised in your letter of the 20th, and the silver paper weight is rather small - it is only 3" high and it could not possibly be engraved satisfactorily.

We can only suggest making it with a plynth $\frac{1}{2}$ " wider, which would cost you about 3/6d. more.

As an alternative we send you herewith a rough sketch of a silver ash tray which we can supply you with a Golfing Figure in the centre, engraved, taking 8, for 23/6d. each.

This would make a most useful souvenir of your Tournament, and we think, and trust you will agree, would be highly pleasing to the recipient.

Awaiting the favour of your reply.

Yours faithfully,

W. J. Cummings
