Dear Sir,

We thank you for your letter of the 12th inst., and have pleasure in enclosing you herewith a rough sketch of a silver drinking pot that we can supply you eight (8) engraved according to your instructions for £10.

The enclosed leaflet of our Pewter tankard may be perhaps more interesting, as you will see it can be fitted with a Glass Bottom etched "Holland v. Belgium, 1931" or any other wording that may suit the case better, and the 1 pt. size, hammered, is 21/- inclusive.

Again possibly 8 small cups which we can supply you of the various patterns illustrated in the Brochure enclosed might be suitable, and cost not more than £10 the 8.

If we can help you in any way we shall be only too pleased to let you have full sized designs and sketches of anything you suggest.

Always at your service.

Yours faithfully,

*W. J. Cummings*
