H I L V E R S U M .

Dear Mr. Monk,

We have fixed our programm, and if 25th April does not suit you, we can take 28th March or 11th April or 18th April, and I should much prefer the 18th. On the 28th and 11th we have fixed matches which should have to be altered. On the 19th our team has to play Handicap Competition in Hattem, so that it may be that some of them are already away on the 18th, but that does not matter and makes the date even more suitable. So if you can, fix it on the 18th. If this is entirely impossible, take April 11th. I should not like 28th March as we will hardly have the course in proper condition.

Awaiting your early reply,

Yours truly,
