Dear Douglas

Thanks for letter re match British-Dutch professionals &c. I am sorry that I am not able to accept as I am sure you will have a good time. The Amateur-Professional foursomes is a good one & I hope you will suggest the same idea to our Secretary when the Cup is played for here next time.

I was rather looking forward to playing against the Amateurs in the Pan but there was no invitation coming. Who won?

Thanks for good wishes. They are reciprocated. We are all quite well. Business is steady. I hope to be able next year to compete in the competitions and have a bit of a change, but this year has been a little sombre.

It is to be sincerely hoped that business takes a turn in a better direction. As things are, one feels like staying at home & making what you can.

Yours sincerely (with good luck in 'De Tommel'.)
Frank.
