Voorburg, 19th October 1932.

Dear Sir,

I should be much obliged if you would be so kind -
in case you have any news on professional golf in Holland -
to communicate this to me for insertion in my weekly's
golfing section, as we are anxious to have all golfing
matters incorporated in same.

Further, if you or one of the members of your
Association should like to write something on golf, I shall
always be glad to spare some space for same in our magazine.

If our weekly in return can be of any service to
you or to your Association, kindly note that we are at any
time at your disposal.

Meanwhile I remain, dear Sir,

yours very truly,

J. A. BRONGERS
