Kengels. 6.
May 11th 1933.

Dear Douglas

Enclosed is ten Guilders will you kindly pay my entrance fee of five Guilders for the National.

You evidently have not received my letter cancelling my entry addressed to you at the Goy club Dommel - I told you I would send my entry when I went to Kengels.

Will you be so good as to ask for this letter?

I am sorry you take such an attitude - I can understand if I do not cancel my entry - Last year I cancelled by telegram for the National.

However, I find it difficult to get away on Sunday and we had a match against Raendael - I wish you could get this letter.

Yours Sincerely
Frank.
