Mr. Douglas Monk,

H I L V E R S U M .

Dear Mr. Monk,

Yours of 30th March to hand.

I am very glad that even if no prize money can be raised, you will still come and play the match. I will do my best to raise a little though and I may say that the idea of playing a match the afternoon before with members of the club has my full approval. The same idea was raised in our meeting of Tuesday and I got instructions to approach you about the subject.

Will you kindly let me know in details how you intend to arrange this and I will at once see what I can do in the matter with our members.

Yours truly,
