Mr. Douglas Monk,

H I L V E R S U M .

Dear Mr. Monk,

I have still to reply to your letter of the 13th inst. and beg to say that, although we should like very much to continue the match, we have the difficulty to face that we will not be able to raise price money to the same extent as formerly. Many members, who contributed, left the club, and others have withdrawn their subscription for the match. The club's finances are in a very bad state and we will therefore be forced to cut expenses to a minimum, so that for lunch and tea we will only be able to supply a plain lunch to keep the cost down as much as possible.

I write you frankly how the position is. If you like to come, you will be very welcome and I should not like to break off the tradition of this match, but I leave it to you.

If possible, I should like Wednesday 26 April.

Yours truly,
