Dear Douglas

In reply to yours of the other day,
as much as I would like to play at
De Borch on the 31st I'm afraid I must
stick to my decision i.e. not to play for
a few weeks. You see I'm such a bag
of nerves when playing now I'm scared
to swing the club back, & it is better I
stay for a bit until I feel confident again.
But will certainly be there, I believe one
he won't let you down. He is playing
damn good golf at the moment, & what is
more full of confidence. He will definitely
put up a better show than I could.

If you want him he is available, & I would
like him to go. If I can find my form in
time for the Belgium match I will play with
pleasure. On the other hand if Bob puts up
a show at De Borch then you can use him for
the other matches too.

Please let me know as soon as possible

kindest regards

Yours Very Sincerely
Dan Lloyd
