Dear Douglas,

Sorry I could'nt answer your letter sooner, but have just seen George. We can arrange this match for the 21st. Nov. to be played at Georges course, at Ravestyne. I could'nt manage the Antwerp course. We think 8 a side will be the best, as we usual play the match. I would like to know if this is agreeable to you, as I would go ahead with all the arrangements. It is only another half hour in the train further than Antwerp.

Now about our arrangements. If you would like to come a day or so before the match, I can meet you at the station at Eschen as I said, along with Jos, or if you can't manage that, perhaps you can stop on the way back, so as we can have a look round the village of Antwerp.

Well cheerio Doug and all the best, and hope you will be able to fix up the match,

Mae
