Dear Duggie
Many thanks for your letter received this morning, the umbrella which you saw in my shop was not a new one, it had been left there by one of the members.

Now I have sent Spalding an order for umbrellas etc; and have asked them to send the goods air mail so I am hoping to get them this week, should they arrive in time I shall be very pleased to send you one over. Did you tell you that I shall be going to Den Haag? Viner sent you my \$5.00 on sat. last.

I was interested in the match on Oct. 31st if I not good enough to play the Belgian

match, then I guess I am good enough for the British
team, it may be that I shall be in England round
about the end of Oct: any-way I am not going to
the Rock

I have not got any more time news
but I am writing to you this evening

Yours truly
L. King
