

ROTTERDAMSCH E GOLFCLUB
ROTTERDAM

SECRETARIAAT:
SCHEEPMAKERSHAVEN 66

ROTTERDAM, June 5th 1935.

Mr. Douglas Monk,

HILVERSUM.

Dear Sir,

I acknowledge receipt of your letter of June 1st which having been addressed care R.G.C. Kralingscheweg, only reached me today. I therefore want to apologize for replying at so late a date.

Although in principle it is quite agreeable to our Committee to have the Closed Professional Championship of the Netherlands again played this year on our course, I am afraid that the question of prize money may cause some difficulties, the maximum I am authorized to guarantee amounting to fl. 50.--. I will of course try and increase this sum by private subscriptions, but cannot undertake any responsibility in this respect.

Should the above meet with the approval of your Association, the R.G.C. will be very glad to receive your members here.

With regard to the date of play Sunday June 30th next will be suitable to us.

As I will be away from Friday until Wednesday next I suggest that you send your reply to our Professional Mr. Dan. Lloyd, so that in case your Association decides for Rotterdam, the necessary arrangements can be made immediately.

I understand that Foursomes, consisting of a combination of a member of the receiving Club and a Professional are to be played on the previous afternoon. Will you please also inform Mr. Lloyd in this matter.

Yours truly,

A. Goossens,
Hon. Secretary.

P.S. It will personally give me great pleasure to see all of you here again, having the most pleasant remembrance of last year's match.
