Dear Mr. Monk,

I beg to inform you that owing to the fact that many members, who used to contribute for the T.G.C. cup match, have left and others have withdrawn their subscription, we cannot raise the money we got together in past years.

We will be glad to receive you and as usual the club will supply lunch and tea (not other drinks, etc.) and we can guarantee f 50.- in price money, perhaps this may be rise to f 60.-, but not very likely. I thought I had to inform you beforehand.

Yours truly,

Secr.T.G.C.
