Dear Douglas,

Had a talk about the match with G. Pannell. Certainly we want it to take place, so go right ahead and fix everything. Let me know as soon as possible, so as we can fall in with your arrangements. Eindhoven will be very good as its close to Belgium.

I hope you will excuse me not writing sooner about the match but I've had such a mix-up this summer, I did-nt know if I was standing on my head or feet.

Cheerio and all the best,

Mac.
