Mr. D. Monk,

H i l v e r s u m .

Dear Mr. Monk,

After much trouble to fit in our list of fixtures which extent every year, we have decided to put the match for the T.G.C. - cup on Sunday 29th. of August and the match with our members on the Saturday-afternoon of August 28th.

We hope this fits in alright with your own fixtures and that you will bring the whole lot. No doubt we will miss Spalding, but I hope Lagcher will shape himself towards that time and give a good show.

Yours truly,
