Hilversum.

Dear Mr. Monk,

On receipt of yours of March 17th., I have at once tried to stop the printing of list of fixtures, but they were ready, so that the match is put: end of August, but it is no difficulty to alter it and I should suggest 24 and 25 September, or rather 25 and 26 September and if that is impossible 9 and 10 October, although I think that is rather late.

Kindly confirm what you think best.

Yours truly,

  
H. de Vries.
