Dear Doug,

I have just got back from a very nice holiday in Germany. I found your letter of the 5th inst. waiting for me. I am pleased to hear that the Belgian team is coming to play in Eindhoven as this course is a much fairer one than Breda with its narrow fairways & impossible rough.

With regards to the Dutch team, P. Witte - J. Oostermeier - J. Oostermeier - C. Cramer and W. G. L. Ragless have my vote. With regards to the other three places it does not matter a curse who plays. Larribert is captain so he is in. Jos v. Lijk is a nice fellow & can put up a good fight when on his game. The last place is the most difficult one to fill as, no matter who is chosen, those who are left out might be sore about it. I suggest J. Stork - A. Lacher - J. Blansjaar - B. Koudijs & E. Hill as candidates for the last place. The player with the

most votes is chosen. So my team is:

P. Witte

J. Aosterveer

J. Th. Aosterveer

C. Cramer

W. C. L. Radless

H. H. Lambert

A. V. Dijk

Player with the most votes.

I hope that this reaches you in good time to arrange the team, may the strongest side win & good luck to all!

Kindest regards & Cheerio,

Yours sincerely,

P. Lubin.
