HILVERSUM

Dear Mr. Monk,

I am very glad to let you know that the Committee of the Amsterdamsche Golfclub in principle agrees that the Close Professional Championship will be played on April 23th at the Duivendrecht Golfcourse.

Personally I will take care of the organisation, management, caddies, condition of the course, incorporation of the players, publicity in the papers, and last not least the subscriptions on my list for the prizes.

I guarantee you it will be good fun, real sport and also a financial success for the pros.

Now I hope to depend on your co-operation that you will bring as many players as possible.

With kind greetings

Yours truly
